

KUDUMBASHREE I.T CONSORTIUM –UNNATHI

Kudumbashree IT units have registered Unnathi Society of IT Enterprises under charitable societies Act. There are 63 data entry units under this consortium. In addition to the unit members who are also the owners of the units, these IT units are providing employment to more than 1200 women. The Unnathi I.T Consortium is headquartered in Thrissur and function as an agency that possesses the capability to execute big data entry (and similar) assignments that require pan-Kerala presence, for potential clients including government departments, private and public sector banks, IT companies etc., and canvas orders from them. The consortium will divide and assign the work between the participating units, monitor the quality and timeliness of execution, take corrective measures as and when required, deliver the output to the clients and ensure collection and disbursement of money.

SAPHALAM VANITHA KASUVANDI SAMSKARANA SAMITHI- KASARAGOD

The project started as Samagra cashew Project in Kasaragod District and is a joint initiative, Grama Panchayat, District Panchayat and Kudumbashree. Cashew processing units are set in 11 Panchayats and one grading and packing centre is established at Chattanjil Industrial Estate. The cashew is procured during season and processed throughout the year. The beneficiaries have formed Saphalam Vanitha Kasuvandi samskarana samithi under Charitable societies Act. The samithi is producing 21 grades of cashew under the brand name Paranky Nuts. Also producing cashew apple syrup and cashew apple pickle.

GRAMASREE FISH FARMERS PRODUCER SOCIETY - KOTTAYAM

The Samagra Project implemented in Vaikom Block of Kottayam District is Ornamental Fish Farming. The beneficiaries of this project in TV puram have formed GRAMASREE FISH FARMERS PRODUCER SOCIETY. The society coordinates with Matsyafed for marketing Organic Fish.
