1.3. The Project

1.3.1. National Urban Livelihoods Mission is a centrally sponsored scheme designed by Ministry of Housing and Urban Poverty Alleviation (MoHUPA), Government of India. Mission activities are implemented in the state by Urban Affairs Department, Government of Kerala through Urban Local Bodies. Kudumbashree, the State Poverty Eradication Mission is the nodal agency for implementation of the project in Kerala. The project in the first phase is implemented in 14 major cities of the state Viz; Thiruvananthapuram, Kollam, Pathanamthitta, Kottayam, Alappuzha, Ernakulam, Thrissur, Palakkad, Malapuram, Kozhikode, Kalpetta, Kannur and Kasaragode. Now it is scaled up to all the 93 cities of the state.

1.3.2. Employment through Skill Training and Placement (ESTP) is a major component under the mission. The project aims to impart placement linked skill training to the unemployed urban poor from the mission cities. It is targeted to impart skill training and give placement for 35175 unemployed urban poor from the fourteen cities during next three years.

1.4. Back Ground

1.4.1. Kudumbashree has empanelled thirty Skill Training Providers for implementing placement linked skill training programmes under NULM in the state. Each agency is empanelled to conduct particular course/(s) for which they have expertise and have industry linkage for internship and placement.

1.5. Purpose of the assignment

1.5.1. The Employment through Skills Training & Placement (EST&P) Component under NULM is designed to provide skills to the unskilled urban poor as well as to

upgrade the existing skills of the under employed sections. Under the programme, State Urban Livelihoods Mission (SULM) will provide skill training of the urban poor to enable them to set up self-employment ventures or for engaging in lucrative salaried jobs in private sector. The EST&P Programme intends to fill the gap between the demand and availability of local skills by providing skill training programs as required by the market.

1.5.2. The broader objective of the Employment through Skills Training & Placement (EST&P) Program is –

- To provide an asset to the urban poor in the form of skills for sustainable livelihood.
- To increase the income of urban poor through structured, market-oriented certified courses that can provide salaried employment and / or self-employment opportunities which will eventually lead to better living standards and alleviation of urban poverty on a sustainable basis.
- Ensure inclusive growth with increased contribution of skilled urban poor to the National Economy.

1.5.3. In order to achieve the above objectives, the trainings should be provided as per the industry demand and as per the curriculum recognized nationally. State Urban Livelihoods Mission intends to impart placement linked skill training to 35175 unemployed/underemployed urban poor from the mission cities of Kerala. Each successful candidate undertaking training under EST&P component of NULM should be awarded a certificate issued by a competent agency either National Council for Vocational Training or Sector Skill Councils set up by Government of India. Assessment of the skills gained should be done by an independent certifying agency. The training agency should not be entrusted with the assessment and certification of the trainees to ensure objective assessment. At least 70 per cent of the trained beneficiaries will be given placement in salaries employment or will be given assistance to set up self employment as per their choice.

1.5.4. Urban Local Bodies of the selected cities with the assistance of the City Mission Management Units have conducted intensive information dissemination programme to create awareness among the prospective beneficiaries regarding the Employment through Skill Training and Placement component of NULM. In the next stage the prospective beneficiaries needs to mobilised, screened and trained in the sectors/courses in which they have interest/aptitude and has to be placed in lucrative employment. Mission Intends to procure quality service from the empanelled skill training providers for mobilisation, screening, imparting skill training, provide placement and tracking the candidates on the job for a period of 12 months.

1.5.5. For this purpose proposals are invited from the empanelled Skill Training Providers of NULM in Kerala. The STPs are expected to detail the training design, curriculum, Methodology, Structure of the operation team, quality control mechanism, Teaching learning materials, activity cum lesson plan, placement plan etc in the proposal.

1.6. Selection of STPs

1.6.1. Quality based selection process will be adopted by NULM for appraisal of the proposal and selection of STPs. As there are clear-cut cost norms regarding per hour rate for various levels of the trainings under NULM, marks will be assigned only for the quality of proposed inputs and offered training outcomes while evaluating the proposal. Appraisal parameters are given in **para 2.5.1. to 2.5.12.** of this document. Setting of appraisal criteria and making any change in the set criteria as per project need will be the discretion of State Urban Livelihoods Mission.

1.6.2. More details on the Services to be provided are specified in Section 3: Training Operational Procedure and Section 5: Memorandum of Understanding

- The agencies that are approved for conducting the specific course as per proceeding for empanelment of the STPs and the orders thereon
- STPs expressed willingness to work in the concerned city for which course is demanded as per this RFP.

2.4. Pooling of Resources

2.4.1. In case of trades geographies/sectors and trainee groups where the training cost is significantly higher than the norms specified under NULM, the Training Providers are free to pool additional funding support from State Governments, Corporates, Employers, Philanthropic Institutions etc. However such dovetailing of funds shall have the approval of State Urban Livelihood Mission.

2.5. Evaluation of Proposal

2.5.1. The merit of the proposals submitted by the empanelled STPs will be evaluated by an internal committee based on the appraisal parameters given in this RFP. State Urban Livelihoods Mission will have the sole discretion to accept or reject any proposals

submitted by the empanelled STPs. The decision of the SULM shall be final. The proposal will be evaluated on the basis of the following appraisal parameters.

1. The Linkage of the agencies with reputed placement partners.
2. The initial salary offered for the candidates (In the trained job role only)
3. Location of placement offered (In the trained job role only)
4. Reputation of the institutions agreed for OJT if any
5. Support for internship with co-funding from industry.
6. Availability of (or their capability to arrange) the training infrastructure in the proposed location.
7. Availability of quality faculty and master trainers.
8. Certification arrangements.
9. Quality of Teaching learning materials and teaching methodology.
10. Training and placement track record of the agency in the course for which RFP is issued.

2.5.2. While preparing the proposal, the STPs shall keep in mind both the outcome envisaged by mission and the real aspirations of the unemployed/underemployed urban poor. In order to get more lucidity on the appraisal parameters and its linkage to the mission objectives the STPs may refer to the following note on the appraisal parameters.

2.5.3. (1) The Linkage with reputed placement partners: The linkage of the organisation with the reputed industries/service sector units are critical to the in the performance of an organisation working in the field of placement linked skill training. Establishment of better linkage will be possible only to the organisations that have a brand image of producing employable hands through the skill trainings. In other words, the organisation have to meet with the aspirations of the industry in terms of process, professional knowledge, professional skills, core skills and responsibility of the candidates passing out from the particular Training Institute. The linkage of the STP with the placement partners will be assessed on the basis of the number of candidates so far placed by the agency.

2.5.4. (2) The initial salary offered: The aspirations of the prospective beneficiaries through skilling are to get inducted to a sustainable livelihoods choice which will eventually lead to a better living standard. Correspondingly the mission also envisages for an inclusive growth through increased contribution of the urban poor to the economy. Therefore, in any case, the outcome should not be supply of cheap labour to the industry, but to supply technically skilled manpower worth to employ for a better salary. It should be higher than the sum paid to the unskilled counterparts in the sector. However the salary may vary depending upon the availability of labour and the competency of the person employed. This parameter is set on a presumption that at least 50 per cent of the candidates enrolled after multiple screening process will have a better aptitude for the

specific trade and will be trainable to make them as an employable hand. In addition the placement should be given in the trained job role itself, so as to enjoy the scope for carrier development in the future. Minimum monthly salary prescribed for the candidates placed under NULM is ₹ 8000 and proposal with an offer below this amount will not be considered in normal conditions.

2.5.5. (3) Location of placement offered. No one will be willing to migrate to an unknown destination leaving their family at home if a lucrative livelihood option is available in their hometown or state. During mobilisation of candidates, the option regarding the location of placement given by the applicants reiterates this fact. Only a small percentage of the prospective beneficiaries have opted for placement outside the state. In this circumstance, mission does not promote migration in usual cases. At the same time many of the prospective beneficiaries seek overseas employment as it is normally more remunerative than other options. Therefore mission will give preference for employment inside the city/state and also for overseas employment.

2.5.6. (4) Reputation of the institutions agreed for OJT: On the job training in reputed institutions will give the candidates exposure to good work culture and professional etiquettes.

2.5.7. (5) Support for internship with co-funding from industry: Internship with stipend will make the hands on training more formal and systematic. In addition it will be a support for the poor candidates to sustain. Above all, it is an indicator for the efficiency and network of the agency and confidence of the industry on the training agency.

2.5.8. (6) Availability of the training infrastructure in the proposed location: Availability of the training infrastructure in the proposed location will help to start the skill training in the planned timeframe itself. Therefore, preference will be given to the agencies having centres in the proposed location. In addition the STPs can even start training for a batch of any size as per the requirement of NULM, if the centre is already functioning and trainers and space is available.

2.5.9. (7) Availability of quality faculty: No doubt, quality trainers are a detrimental factor for the outcome of the skilling process. Salary and other emoluments provided by the organisation is a factor to attract quality faculty to the STP.

2.5.10. (8) Assessment arrangements: Assessment of candidates under NULM shall be done either by SSC or by NCVT. Therefore the agencies having assessment arrangements particularly in the proposed centre will be given preference.

2.5.11. (9) Quality of Syllabus, Teaching-learning materials and teaching methodology: Though NOs are prescribed for each job role by sector skill councils and assessment is made on the basis of these NOs, detailed syllabus, activity cum lesson plan, Teaching-learning materials and the teaching methodology of the particular STP makes

difference in the industry acceptance of the candidates. Therefore the Skill Training Providers should have a systematic plan before the commencement of the training. Therefore input materials have to be enclosed with the proposal so as to enable appraisal of the input standards.

2.5.12. (10) Training and placement track record The track record of the agency in the immediate past in placement will give SULM a confidence to entrust the assignment to the particular STP. Placement track record in the particular trade for which the RFP is issued will be considered primarily. Accepting the candidates by a reputed organisation can be considered as an indicator for the quality of the skill training carried out by the STP.

2.6. Selection and Engaging of STPs

.6.1. The Proposals from the STPs which meet the requirement of the mission on the basis of the above mentioned criteria will be accepted and targets will be assigned to the STP with time line. The selected STPs shall execute and MoU with the State Urban Livelihoods Mission in the prescribed format which includes undertaking from the STP to comply with all conditions of the NULM Guideline and orders thereon issued by the state mission. The STP should sign this MoU within seven days from the date of receipt of the work order. Format of the MoU is given in the section 5 of this document. The selected STP should start the training programme within 30 days from the date of intimation of selection and should complete the certification before the closure of the financial year.

2.7. Work Order

2.7.1. The State Urban Livelihoods Mission will issue a work order to the selected STP with a direction to start the training programme not later than 30 days and to enter into a MoU with SULM within seven days. Work order will be conditional and the STP shall commence the training only after getting due approval of the training centre. The SULM officials will conduct an inspection before the issues approval to the training centre. If the centre is found suitable as per NULM standards SULM will issue training commencement order to the STP.

2.8. Setting up of the Training Centre

2.8.1. On receiving the work order, the selected skill training provider should take immediate steps to set up the training centre in the proposed city in a location in conformity with the norms laid down by State Urban Livelihoods Mission. After setting up the training centre with all required equipments, physical infrastructure, teaching learning materials etc the STP should prepare a Readiness Assessment Sheet (RAS) in three copies in the prescribed format (**Standard sheet 1**) and submit a copy to the concerned CMMU and another copy to the SMMU. One sheet shall be kept at the training centre. This readiness assessment sheet should reach the CMMU/SMMU not

later than 20 days from the date of the work order. The CMMU will conduct an inspection of the training centre within three days from the receipt of the RAS from the STP. The City Mission Management Unit will immediately intimate the STP regarding the shortcomings if any found as per the Training Operational Procedure of NULM. The shortcomings will be intimated in writing under two heads (a) Minor issues and (b) Major issues. In case of minor issues that are rectifiable before the training commencement date SULM will give conditional sanction for starting the training. In such cases STP should give an assurance in writing. The STPs can arrange separate classroom as per standards for NULM in a regular training centre of the STP in the proposed location.
