The Executive Director
Kudumbashree Mission

Subject: Managerial Excellence Programme – IIM, Kozhikode - 23rd & 24th June 2017 –
Participated – Report – Submission – reg.

Respected Sir,

From the Kudumbashree family thirty members had attended in the two day MDP held at IIMK.

It was a great and fantabulous experience as far as I am concerned. To be frank if I was in any other service / organization I would not have got such a wonderful opportunity to take part in a MDP organized at a reputed institution like IIM. For the same I am very thankful to you sir.

This training has kept me aside for the two days from Official activities, mobile Communication and other issues but which facilitated to involve completely in thinking and speaking about Kudumbashree and its development, which will reflect in my activities in future.

Day -1

Prof.PNR has discussed about Understanding Dimensions of Organizational Excellence. Also the Professor has taught about Helicopter view and Seven 'S' up to 12 Noon. Given 20 questions, involved group activity, discussed how to strengthen Kudumbashree Organization. It was good and all of them were involved and contributed their views effectively during their presentation.

Day – 2

Prof.PNR and Dr.Simi Joy have taught about Change Management from 9.30 AM to 12 Noon. They gave activity with respect to Kudumbashree Programmes including taking the Kudumbashree to the next level. Family members were involved in the group activity and contributed effectively during their presentation.

The whole programme was nice but very short and did not infuse lot of new things on us as much as expected. Only one faculty has handled these two days. If they added other faculty, different of opinion and experience would have been stamped which may help us for our future activities. The faculty did not know much about the Kudumbashree and its function. They knew about it from us.

Atmosphere is good. Accommodation and food provided by them also good.
