

First of all I would like to express my immense gratitude to my higher authorities for arranging the two day try on "Managerial Excellence" at IIM Kozhikode on 23<sup>rd</sup> and 24<sup>th</sup> June 2017. IIM situated at the pristine Kunnammangalam provided excellent facilities. All the arrangements had been praiseworthy.

Day One started off with the eloquent presentation of Prof Priya on the dimensions of Organisational Excellence. Later the participants presented each one superordinate goals for the Kudumbasree Mission.

Day Two was quite participatory and brainstorming. It was an indepth analysis of what Kudumbasree should aspire to be in its second phase. The presence of senior DMCs like Esnakulam and Malappuram proved to be an asset.

It was a treat listening to the sophisticated English of Prof Priya and the UK based Dr Simi Joy. However the doubt lingers whether the participants have gained much on "managerial excellence", perhaps the two days are just the beginning of an "end".

Thank you
