

DMC & ADMC Project Familiarization Workshop - 17 March 2017.

I was looking forward to this workshop as most of us in TM Dist Mission office are new to our present projects.

First day began with a discussion on NULM and then a much resourceful explanation of PMAY and life by Sri Binu Francis. Sir patiently tolerated our ignorance and told how effectively is the plan to shelter the homeless is formed by bridging the central and state schemes, PMAY and life. Then Smt Giti's pleasantly explained MF and cleared our doubts regarding interests & subsidy. Then Smt Anurita elaborately spoke on Ashraya, Buds and BRC. Madam empathetically spoke on the importance of these projects. Class on Tribal Interventions too was useful. The 2nd day witnessed much awaited discussion on JCU, collectives, ME and MF. On the whole each

session proved to be extremely useful.

Pranod Sir was present almost all through both the sessions.
