

Report on Managerial Excellence Programme

First day of the training programme started on 21st July 2017 at 9.30 am. The training programme started with a short inauguration ceremony by Prof. Sudershan, Chairman of MDP. Followed by Prof. Priya Nair Rajeev, Programme coordinator and Dr. Sinu Joy, faculty of IIMK led the training. On that session they have introduced helicopter view approach and seven components (7S) of organisation for strengthening and analysing the existing system. On continuation trainers has given a group assignment and at the end of the group work each group has presented a consolidated view points of every group members. After the class room training trainers were headed us to the business museum visit.

Second day of training started with the yoga class. The sessions started by introducing the concept “10 spoke of the wheel” this is for changing and improving the organization. After that we have assigned a group activity for analysing and examining the team work of each group.

The training was more helpful for analysing duties and responsibilities and also it helps me to rethink the work pattern of my organisation. The two day programme was organised in such a beautiful and vast campus which helps to more positive energy in me. For that I thank all the authorities of State mission and IIMK for arranging and coordinating such an excellent training programme.
