

Report of CED Training conducted on 21-23 may 2018(First Batch)

MY LEARNINGS

- 1) Urban Sprawl
- 2) Urban decay
- 3) Feminization of poverty
- 4) Good Governance
- 5) NABARD & NGH
- 6) Smart solutions to improve service delivery
- 7) Material collection Facility
- 8) Resource Recovery Facility
- 9) Extended producer Responsibility
- 10) Communication (Unconscious incompetent, conscious competent, unconscious competent)
- 11) Verbal words
- 12) Visual body language
- 13) Vocal tone
- 14)HRIDAY and Smart Cities)

SUGGESTIONS

As a part of Marketing Strategy we can grade or standardize K.Shree food product+ (Food Safety Authority of India norms)

Training Centre for competitive exams (Target Group-children of urban poor and unemployed youth)

FEEDBACK

Theoretical session was an average one but more practical sessions can be included like case studies, group discussions etc.

PROJECT IDEA

- 1) Convergence of SBM and SEP(Waste disposal)
- 2) E-governance in CLC(Labour Bank etc)
- 3) Making public amenities more attractive using AMRUTH fund+(SEP)+ income generation +smart city.(Environment friendly smart cities)
- 4) Rehabilitation of slums
- 5) Smart docking stations
