Proceedings of the Executive Director Kudumbashree, Kerala  
(Present: S. Harikishore IAS)

Sub: SPEM-National Urban Livelihood Mission- Self Employment Programme-  
Empanelment for Installation & Maintenance of Reverse Osmosis Plants (Open Source)-  
List of Agencies and Procedure for procuring service of agencies.

No. 11299/F/2018/KSHO Date: 22.06.2019

2. Recommendation of the Appraisal Committee held on 18th March 2019

Order

Kudumbashree is the Nodal Agency for Implementation of National Urban  
Livelihoods Mission in Kerala. The mission intends to promote self employment among the  
unemployed urban poor. Establishment of packaged drinking water units with Reverse  
Osmosis Plants (RO Plant) and other water purification, packaging and system is one among  
them. The installation and maintenance of RO Plant requires the service of experienced and  
qualified agencies empanelled.

Expression of Interest was invited from the experienced manufacturers/ suppliers of  
water purified solutions for providing support on installation and maintenance of RO Plants  
in various locations across the state established by Kudumbashree women under NULM  
three organisations applied.

A 4 member high level Appraisal Committee was constituted to verify the applications submitted and to analyse the technical expertise of the organisations. The 4 member committee consists of:

1. Chief Engineer, KWA
2. Asst. Executive Engineer, PWD
3. Director (A & F), Kudumbashree
4. Team Leader, NULM programme, Kudumbashree

The agencies were invited for a presentation before the 4 member Appraisal Committee on 18th of March 2019. The Appraisal Committee examined the documents submitted by the organisations, the details in their presentation, their previous experience and work history and the ability to install the plants and after service support. The Committee assessing the aforesaid aspects recommended the empanelment of the three agencies for the installation & maintenance of drinking water plants in various locations across the state as the agencies have sufficient experience and expertise in the field. The details of agencies are listed below:

In these circumstances, sanction is hereby accorded to empanel the following agencies as service providers under Kudumbashree Mission for providing the service for maintenance & installation of drinking water plants for a period of 2 years from the date of this order.

The empanelment is for providing service support to Kudumbashree groups intending to establish purified drinking water plants. The Kudumbashree groups and the District Missions of Kudumbashree (The District Missions should issue Request for Proposal (RFP) after identification of the source and should specify the raw water standard and required output supply) may avail the service of any of these agencies negotiating the services charges based on the quality of the water, material used, capacity of the plant, purification process used and annual maintenance support provided. The cost of supply & installation of the plants should not exceed the below mentioned rates (the lowest quoted rates specified by the agencies)

The manufacturer/ suppliers should also provide warranty for all products for a minimum of 2 years. The agencies should provide service within 2 weeks once the work order is received, and should complete it within the stipulated period.

In case any claims/ averments made by the agency in the proposal or presentation are found fake/false during the field appraisal, empanelment of such agencies will be cancelled. The Executive Director will have the right to cancel the empanelment if the service of the agency is not satisfactory or not as per the stipulated conditions stated in proposal. In case the requirement of new agencies arises from the field the Executive
Director, Kudumbashree will have the right to call fresh EoI before the two year period. 
The decision of the Executive Director shall be final.
