

Field Visit Report

Day 01 – 28/10/2017

Place: District Mission Office, Kottayam

On 28th October 2017, I went for field visit to Kottayam District Mission office to discuss and review the implementation of Kudumbashree School activities. Discussed the status of Kudumbashree School with ADMC (Org) and DPM (Org& MF). The following issues with respect to the programme were discussed and planned the urgent interventions in the following areas;

1. Total ADS RPs identified is 8,070, but only 6,695 ADS RPs were participated in the CDS level trainings. There were 4 CDSs who have not completed the ADS RPs trainings before 21/10/2017.
2. After the interventions of District Mission team, 3 CDSs (Manjoor, Kallara and Marangattupally) completed the training before 28/10/2017. The remaining CDS is Thalanad, which will complete the training before 30/10/017.
3. There are issues with handbook distribution. Still there are NHGs who have not received the handbook from District Mission. Arrangements made to distribute the handbook to all NHGs before 30/10/2017
4. Discussed about Kudumbashree school implementation in tribal areas. Strategies developed with the support of tribal animators for the implementation in Tribal areas.
5. It is decided to conduct review meeting of ADS level RPs in every Tuesday/Wednesday at CDS level with the participation district mission in charge officer.
6. Every Thursday district mission will conduct the review meeting of CDS level RPs.

The meeting ended at 3:00 PM

Day 02 – 29/10/2017

Place: Kidangoor CDS & Ayarkkunnam CDS, Kottayam

On 29th October 2017, visited Dhanalakshmi B. NHG in Kidangoor CDS and Pavithra NHG in Ayarkkunnam CDS to observe the Kudumbashree School.

In Dhanalakshmi B. NHG, Kudumbashree School started at 11:00 AM. This NHG started in 2010 and now having 18 members. 12 out of 18 members were participated in Kudumbashree School. The School Resource Person Rajasree is a member of Dhanalakshmi B. NHG and she handled the topic Kudumbashree CBO. Resource persons explained all details with regard to Kudumbashree CBO to the members. While in the class they were asked doubts and the Resource Person clarified the doubts very clearly. After the class, explained how important the attendance and how to fill the certificate and evaluation form, which is printed in the last pages of the handbook. All the members agreed that the Kudumbashree School is really very helpful for them to understand more about Kudumbashree and its various schemes/activities. The school ended at 01:00PM

In Pavithra NHG, Kudumbashree School started at 03:00 PM. The topic was Kudumbashree CBO. 14 out of 17 members were attended the school. Pavithra NHG is 100% SC NHG and started its functioning in 2015. After the discussion with the NHG members, I understood that there is a lack of clarity for members in Kudumbashree three tier community based organization. Resource persons explained all details with regard to Kudumbashree CBO to the members. The class was very interactive and after the class, explained how important the attendance and how to fill the certificate and evaluation form, which is printed in the last pages of the handbook. All the members agreed that the Kudumbashree School is very helpful for them to understand more about Kudumbashree and its various schemes/activities. The school ended at 05:00PM
