November 17th and 18th

ALAPUZHA

KUDUMBASHREE SCHOOL

DISTRICT - ALAPUZHA

NHG -ASHANPARAMBIL AYALKKOOTAM

SECRETARY -THANKAMANI

PRESIDENT -SARAMMA THOMAS

This Ayalkootam has 20 members of which on an average 17 members attend the 'Kudumbashree school' classes regularly. The chapter taken by RP, Ms. Aruna on the day I visited was 'Shuchithwam, Arogyam'. The meeting took place at president's house and CDS chairperson Ms. Geetha also attended the meeting. It started with a prayer and the members actively participated.

NHG-VAYALIPARAMBIL

SECRETARY-HAWLATH

PRESIDENT-MANI NAVAS

Here the class was handled by the secretary Ms. Hawlath and the meeting took place at a house called 'Nadalakka'. 23 Members are there in the Ayalkkootam and of which around 20 attend 'Kudumbashree school' classes. They were dealing with the last chapter.

OBSERVATIONS AND SUGGESTIONS

1). As per the NHG members, all the chapters included are of importance to women and the things like health and hygiene, even though they know about those things, they don't pay attention to. Now they are reminded of those things again through the programme.

2). But as per the RPs, they are not sure how much the women are paying attention to, even though they are attending the sessions. Audio Visual Aids could be more helpful to reach people.

3).In these NHGs, the women are given the text book on a rotation basis, that they can take it home and read it.

4).They need more articles related to women like in the 'kudumbashree school' topics, to be included in the monthly Magazine.

JLG

I visited three groups, 'Krishi Deepam', 'Krishi Bhavanam' and 'Haritha'. These are run by a group of 5 women. They are doing a good work and the vegetables have a good market at their houses itself, people come and buy it. They use natural fertilizers and the profit from the JLG is deposited in bank.

CHETHANA

Kudumbashree has partnered with Chetana, an NGO (Organisation of Mavelikkara Diocese) to provide career counselling & livelihood opportunity to the youth. The skills training will be provided by their end, those who are also a partner agency of National Council on Vocational Training (NCVT) under MoRD GOI, that will be certifying the trained youth. The courses offered is Accounts Assistant using Tally and DTP and Print Publishing Assistant.

RAILWAY PAY AND PARK-KAYAMKULAM

Here 8 employees are there, 3 each per day working from 8 AM to 8 PM
