DIFFERENT SOFTWARE DATA ANALYSIS TOOL USED IN KUDUMBASHREE

STATE MIS-REPORT WITH RESPECT TO NRLM MPR INDICATORS

This tool is used for verifying and analyzing the Rural NHG details block wise and district wise. The state NRLM has to update the following indicators monthly and cumulative.

- Number of new NRLM NHG
- Number of Pre-NRLM NHG
- Total number of SC, ST, Minority and General NHG
- Panchsuthra, ie 3 month old NHG

This tool makes the data accurate among the state system and NRLM data. The state system administrator fetch the data from the database and display on it in a table or excel sheet. The NRLM officer has to match the data with this state report and check whether the data be accurate or not.

This tool has the provision to fetch the data date wise or month wise or year wise accurately and provide a detail MPR report submitted to NRLM. Through this State mission provide the actual details about the number of NHG, ADS, CDS among each district and also provide their thrift amount and also the number of Inactive NHG.

The tool provides fetch data in 3 ways;

District wise Report

Block wise Report

CDS wise Report

- District wise Report

Through this we have to select the district, month and year. After submit, the tool provide the corresponding date details monthly and cumulative. The district mission officer has to match the data with the NRLM data and check whether it is correct or not.

• CDS wise Report

Through this we have to select the district, block, CDS, month and year. After submit, the tool provide the corresponding date details monthly and cumulative block wise. The CDS chairperson has to match the data with the NRLM data and check whether it is correct or not.

CDS REVIEW REPORTING TOOL

CDS has the responsibility to review and evaluate the various Kudumbashree programmes and poverty eradication programmes under implementation in the area. CDS has the

responsibility to ensure that the NHGs are able to avail the benefits of the poverty eradication programmes implemented by various government and quasi-government agencies.

This tool is created for reviewing the CDS level work in all sections and Micro Enterprises of Kudumbashree. Through this, the block coordinator and district level program officer make a report on this basis. With this feedback, the block coordinator will give the instructions for overcome the current defects inside the CDS and ADS level. Every CDS prepares an annual action plan including the Kudumbashree programmes and other programmes of various government departments, agencies, and local governments implemented through CDS. CDS submits it to the consideration of the Welfare Standing Committee of the respective local government. The action plan is further submitted to the board/ council of the local government with the comments and opinions of the Welfare standing committee. The report has prepared up to the date of 2018 march 31.

- Enter the details of all fields.
- All fields are mandatory.
- Deletion, Updation and View option are available.
- District level officer can view the data and make a report on this basis.
