1. SUSV- Food Vendors branding

Mananthavady ULB:- Wayanadan Thatt

In mananthavady ULB, kudumbashree has branded all the food vendors as a National urban livelihood Mission's new initiative. We have named as Wayanadan thatt, and have given training for, Food safety practices, Proper waste management and about traffic rules. The food vendors agreed to wear uniform dressing and color of food cart. And we implemented uniform pricing strategy also. And ULB health wing regularly monitoring it.

2. SUSV – Temporary shelter for street cobblers

In mananthavady ulb as part of support to urban street vendor, we identified a problem that the cobblers of mananthavady ulb has struggling to do their livelihood activity in ugly and unsafe situation. So the TVC has decided to construct a temporary shelter for all the cobblers of Mananthavady ulb. So NULM team constitute 3 ME groups with 12 cobblers and they use of Kudumbashree Prethyasa ME fund we construct the shelters and make them safe and neat working atmosphere.

Sulthan Bathery ULB

SUSV- Ruchi Vandi

This is the new initiative of Bathery ulb street vendors activities; we have given EDP training and started a ruche vandi at sulthan bathery.

SUSV - Ruchi pura

In the extension of Ruchi vand the team has started a 'ruchi pura' one of the live example of kudumbashree support. kudumbashree gave publicity and support, the unsecure street vendor started a hotel in the sulthan bathery ulb.
