13/11/17

Representing Kudumbashree, taken part in seminar conducted as part of “Livestock and Poultry Expo” organised by Animal Husbandry Department, Kerala, Government of India. Discussed on various Animal Husbandry Projects being implemented by Kudumbashree. Detailed about convergence of Kudumbashree and Animal Husbandry Department for implementation of various action in Animal Husbandry.

25/11/17

Conducted a meeting with Kuriottumala Farm Superintendent and officials and Kollam Jilla Panchayath Authority. Discussed on utilization of unused space available in kuriottumala hatchery for “Kerala Chicken” project and came to an agreement. Through these interventions, we could try to meet the increasing demand of broiler chicks for the farmers of Kerala chicken project to some extent.

27/11/17 & 28/11/17

Attended two day training programmes organized by Animal Husbandry Department and KEPCO at Kerala State Veterinary Council, Peroorkada. Training was conducted for the beneficiaries of Kerala Chicken Project, Livestock inspectors and Veterinary Doctors who were assigned the charge of supervision of the farms. Eminent scientists from other states, Poultry experts from Animal Husbandry Department as well as KEPCO has given valuable training programs on rearing of broiler chicken. Certificates were distributed for the trainees.
