

Felid visit report November 2017

No	Date of Visit	Place	Purpose of visit	Observation	Remarks
1	29.11.2017	Kozhikode	Evaluate the Programme implementation status of Vulnerability Mapping	Data collection was almost done by the resource persons. Need some additional trainings for consolidation of Data and analysis and preparation of report	District gender team should focus more on field level programme implementation
2	30.11.2017	Kozhikode	Block level Counseling centre and Gender resource centre visit and meeting with Resource persons	The teams are very active and counseling sessions are conducted in BLCC. Field level intervention is very good and gets support from the block as well. LSGI give much support to start the GRC and appointed a professional counselor. Gender resource person is doing field level campaign about GRC	Need more awareness among the Kudumbashree members and public about the services render from GRC and BLCC
