

Minutes of the convergence day workshop held on 16.11.2018 at Mini Conference hall,
Kudumbashree State Mission office

In order to discuss the convergence projects with local self governments for the financial year 2018-2019 in districts, a convergence day workshop has been arranged at State Mission office on 16-11-2018. ADMCs (Organization & MF) participated in the Convergence day workshop. Shri. Pramod K.V., Programme Officer chaired the meeting and Shri. Anishkumar M.S., Senior Consultant, presented various project ideas submitted by the district missions. The following decisions were taken in the meeting.

- **Convergence with Grama Panchayath** - When compared to the total amount earmarked for the projects in Grama Panchayath, only 11% is the expenditure so far. All Districts are requested to come up with strategies for 100% expenditure of the projects earmarked in the financial year 2018-2019.

(Action All DMCs)

- **Convergence with Block Panchayath** - All districts should find the possibility to include more Balasabha projects and the expenditure so far is 7%. Out of 152 block Panchayaths only 46 BPs earmarked fund for Kudumbashree convergence projects. All Districts are requested to come up with strategies for 100% expenditure of the projects earmarked in the financial year 2018-2019.

(Action All DMCs)

- **Convergence with District Panchayath** – The implementing officer for the 31 projects out of 38 projects in District Panchayaths are Kudumbashree District Mission Coordinator. So come with new strategies for cent percent expenditure.

(Action All DMCs)

- **Convergence with ULBs** - Expenditure in ULBs as of now is 13%. DMCs should find a strategy to make it to 100 % expenditure

(Action All DMCs)

- The following are the some strategies suggested by the team members after the discussion;
 - Send DMC's letter to Panchayath President and implementing Officer
 - Conduct a meeting for CDS Chairpersons to let them know that there is very less expenditure as of now and should do the needful
 - Conduct Reviews by inviting MLAs
 - Conduct Block Level meeting

- Meet Implementing officer and Deputy Director of Panchayath to speedup the implementation process.
 - Submit Agenda in Welfare Standing committee and discuss the progress of the convergence projects
 - Conduct CDS Subcommittee meeting to give them an insight on the importance of getting convergence projects
 - Discuss the scope of convergence projects in Gramasabhas
- Districts presented their project ideas and strategies adopted to get more projects in the financial year 2019-20 for Kudumbashree beneficiaries. Certain strategies they used are - in Thrissur, DMC sent a letter to Block Panchayath Presidents informing them to include BCs in Block Panchayath Working group and DPMs in District Panchayath working group. Also can include NULM City Mission Managers in Urban Working group. In Kozhikodu given Special training to Block coordinators on Convergence Projects.

(Action All DMCs)

- All DMCs are requested to conduct District Resource Group meeting
- A proposal for health powder for moms and kids in convergence with Nutrimix can be done in districts.

(Action All DMCs)

(Action All DMCs)

- DMCs are requested to get proposals /special project for Transgender, Elderly and PWD members.

(Action All DMCs)

- All DMCs are requested to cross check the best practices collected by Block Coordinators.

(Action All DMCs)

- Magazine Subscription - All DMCs are requested to send Balance amount to State Mission and districts are not supposed to accept amount other than the 1,24,200 NHGs which is already subscribed. State Mission will distribute October issue onwards.
