1. Major observations / findings:

The Thanal fan winding unit was operating since 2014 with the financial assistance from the bank. Initially they got 2.5 lakh as loan but failed to get subsidy from Kudumbashree due to clerical mistake. They got initial EDP training but nothing after that.

2. Suggestions for improvement: They should get Skill training as the next step. Complains about lack of communications from CDS.

3. Initiatives undertaken for betterment:

Fixed a meeting with CDS officials and MEC regarding the expansion. Taken steps to initiate regular auditing.

4. Initiatives needed for improvement:

Have to give more training.

5. Remarks if any:
