

Provision of laptop to 500000 students – Vidyashree Scheme- Programme Description

As per the estimates of Education Department there are 2,60,000 school children who do not have TV, Smart Phone or Laptop for online studies. Due to COVID-19 situation the students are forced to take up online education. So in order to get a permanent solution to the availability of equipment for online studies for the children of Kudumbashree members, Kudumbashree in association with KSFE started a new micro chitty called " KSFE Vidyashree Chitty Scheme". The scheme involved starting a chitty in KSFE with Rs 500 per month for 30 months. The members who are interested to buy a laptop will be provided the needed assistance in getting the laptop. The laptop specification is finalized by the IT Department.
