

## More value added products from milk

Hope you all will recall the 'Making an Impact Article-123', in which the details of 'Milky Latte' branded milk was explained. This is the first series of value added products our entrepreneurs in Animal Husbandary sector. From this financial year, we intensified training and technical support to our dairy farmers for producing more value added products. As of now we have more than 30 value added products of milk including curd, peda, paneer, chocolate, ice cream etc.

As per the guidelines of our value addition scheme, individuals or groups can start enterprises. Kudumbashree will extend the needed training to them, in association with the Dairy Development Department. In addition to that, financial assistance would also be provided as per the existing norms of Kudumbashree.

Those who are interested in starting enterprises would be given assistance to get bank loan of up to Rs. 1,50,000 at 4 % interest rate. They have to repay the loan within 2 years. In addition to this, there exist another scheme which gives 35 % of the loan amount (upto Rs 50,000) as subsidy (to those who launch enterprises by availing bank loan). Both capital subsidy and interest subsidy can not be availed at the same time.

I am happy to inform you all that 26 value added enterprise units were started in the last 6 months. The list of those enterprises are given below:
