

# **Report on Field Visit**

**Districts Visited:** - Thrissur

**Date of visit conducted:** - 04/12/17, 05/12/17, 06/12/17

## **Activities Done**

I visited KILA for the training of Harithakarma Sena. As part of the visit, I visited the Waste Disposal unit at Thrissur run by the Municipality. During the training, we made household visits and learned about their waste disposal. Also made a visit to Plastic Shredding unit at Thrissur.

## **Observations**

Most of the households didn't have a proper waste disposal mechanisms. As part of the training, I came to know about the degradable and non degradable waste disposal mechanisms and also learned about the various ways to dispose the wastes. And also got knowledge about various agencies which recycle the plastic wastes.

## **Conclusion**

The field visits helped me to understand the various waste disposal mechanisms of Haritha Keralam Mission, Suchithwa Mission and Clean Kerala Company. And also able to study about the leadership qualities adopted by the Resource Persons who attended the training and also helped me to maintain a good relationship with various personalities who represent various agencies.
